

## Career Center Opinion Poll, 2017 Student Election

Your opinion makes a difference. The Career Center is considering proposing a fee referendum to expand services to better help you connect with career opportunities. You can already count on us for career coaching, job and internship search assistance, job fairs, and workshops. You can help the Career Center gauge what services you value most by completing the following opinion poll.

Please select all new and/or expanded services that you would use:

- Online career coaching with experts
- More career specific panels and discussions led by industry experts and successful alumni
- Resume, CV and cover letter tutorials
- Space for remote interviews and practice interviews using state of the art technology
- Online career development workshops, with 24 – 7 access
- Improved, user-friendly, technology to access jobs and internships
- Internship and job fairs with more high interest employers
- More specialized career fairs for your major or career path

Would you be willing to pay a small Registration Fee to have access to the new and/or increased services listed above?

yes    no

Currently, UCSC Alumni pay \$100 for an annual Alumni Access Card to have access to the UCSC Career Center, including career coaching, during the first year after they have graduated.

Would you be willing to pay a small Registration Fee to have access to the Career Center services for a year after graduation at no additional charge?

yes    no

How much money would you be willing to have added to your Registration Fee each quarter?

\$9    \$12    \$15

Outcome of this Opinion Poll

If a majority of students who complete this opinion poll indicate a willingness to support the Career Center expansion plans, the Career Center will pursue placing a referendum on the Spring, 2018 Student Election Ballot.

The Career Center staff thanks you for completing this opinion poll.
