SUA Constitutional Amendment ([Full ammendment language](#))

Proposed changes under this Amendment:

- **Diversification of Voting Membership**
Changes: Colleges and current organization representatives stay the same but also adds 4 registered student organization votes for 1-year terms (appointed by the SUA in Spring for the following year through an application process).

Reason: This is an effort to make our voting membership more diverse and to provide opportunities for more student organizations to participate in the SUA.
- **Officer Title/Job Description Amendments**

Officer Title Changes: From "Chair" to "President", "Vice Chair" to "Vice President", and "Commissioner" to "Vice President". Job Description Amendments: The proposed Amendment shifts responsibilities within the officers and expands capacity to organize around internal, on-campus issues in the Chair (President) and Organizing Director's offices.

Reason: First, in recognition that the SUA no longer functions as a Union and instead operates as an Association. Second, to promote clarity of officer roles through titles which more accurately represent our current functions. Third, to further SUA outreach and get out the vote with clear and accurate titles.

▪ **Creation of Finance Board**

The Vice President of Internal Affairs presides over this new standing committee, which oversees the financial operations of the SUA. This is an effort to expand transparency and efficiency including the allocation of funding to Registered Student Organizations

▪ **Creation of Vice President of Student Life**

Elected in the annual spring elections, this officer is tasked with building relationships between the SUA and organizations such as SOAR, sustainability, student media, academic departments, colleges, OPERS, and all other student organizations. The VPSL is also tasked with planning for long range development of campus life at UCSC and providing campus wide events and programs.

▪ **Creation of a Parliamentarian**

Appointed by the SUA as a non-voting member whose job is to facilitate General Body meetings, supervise regular communications to the SUA, and ensure fair, consistent use of Robert's Rules of Order during meetings.

Student Union Assembly Officers:

Please Note: If the SUA Constitutional Amendment passes (see above), the officer titles will be changed as follows: from "Chair" to "President", "Vice Chair" to "Vice President", and "Commissioner" to "Vice President".
