

## **13.00 DEVELOPMENT AND REVIEW OF UNIVERSITYWIDE POLICIES AND CAMPUS IMPLEMENTING REGULATIONS**

13.10 The President shall consult as appropriate with Chancellors, Vice Presidents, the Office of the General Counsel, and Universitywide advisory committees prior to amending these *Policies*. Chancellors shall consult with faculty, students, and staff prior to submitting to the President any campus recommendations related to proposed amendments to these *Policies*. Amendments that are specifically mandated by law, however, do not require consultation with campus representatives or Universitywide advisory committees to the extent that legal requirements do not permit such consultation.

13.20 Chancellors shall adopt campus implementing regulations consistent with these *Policies*. The University shall publish these *Policies* and make them widely available, and Chancellors shall do the same with respect to the implementing regulations for their campuses. This requirement may be satisfied through the online publication of these *Policies* and their respective campus implementing regulations.

**13.21 *The Handbook* is available online at:**

13.30 Chancellors shall consult with students (including student governments), faculty, and staff in the development or revision of campus implementing regulations except when the development or revision of such regulations results from changes to these *Policies* that have been specifically mandated by law. Campuses shall specify procedures, including consultation processes, by which campus implementing regulations may be developed or revised.

**13.31 Campus regulations shall be reviewed every two years, or more frequently if need be, by a committee appointed by the Associate Vice Chancellor and Dean of Students. The committee shall minimally include undergraduate and graduate students nominated by the Student Union Assembly (SUA) Student Committee on Committees (SCOC) and the Graduate Student Association (GSA) respectively; a representative of the Senior Director, Student Life; representatives from Office of Conduct and Community Standards; and, Colleges, Housing and Educational Services (CHES) Conduct representative(s). Recommendations for changes to campus regulations shall be submitted to the Chancellor or designee for approval.**

13.40 Prior to their adoption, all proposed campus implementing regulations, including all substantive modifications to existing such regulations, shall be submitted to the Office of the President for review, in consultation with the Office of the General Counsel, for consistency with these *Policies* and the law.
