I. POLICY SUMMARY

The Policies Applying to Campus Activities, Organizations and Students are a compendium of University-wide policies relating to student life. Appendix B references the California Education Code Section regarding the use of the University’s name.

II. DEFINITIONS

Definitions for the Policies Applying to Campus Activities, Organizations and Students, and the campus implementing regulations adopted pursuant to them, are provided in Section 14.00.
III. POLICY TEXT

APPENDIX B

See Education Code Section 92000-92001

IV. COMPLIANCE / RESPONSIBILITIES

Chancellors shall adopt campus implementing regulations consistent with these Policies. The University shall publish these Policies and make them widely available, and Chancellors shall do the same with respect to the implementing regulations for their campuses. This requirement may be satisfied through the on-line publication of these Policies and their respective campus implementing regulations. (See also Section 13.20 of these Policies.)

V. PROCEDURES

The President shall consult as appropriate with Chancellors, Vice Presidents, the Office of the General Counsel, and Universitywide advisory committees prior to amending these Policies. Chancellors shall consult with faculty, students, and staff prior to submitting to the President any campus recommendations related to proposed amendments to these Policies. Amendments that are specifically mandated by law, however, do not require consultation with campus representatives or Universitywide advisory committees to the extent that legal requirements do not permit such consultation. (See also Section 13.10 of these Policies.)

Chancellors shall consult with students (including student governments), faculty, and staff in the development or revision of campus implementing regulations except when the development or revision of such regulations results from changes to these Policies that have been specifically mandated by law. Campuses shall specify procedures, including consultation processes, by which campus implementing regulations may be developed or revised. (See also Section 13.30 of these Policies.)

Prior to their adoption, all proposed campus implementing regulations, including all substantive modifications to existing such regulations, shall be submitted to the Office of the President for review, in consultation with the Office of the General Counsel, for consistency with these Policies and the law. (See also Section 13.40 of these Policies.)
